The Commission shall be subtracted from the Dataset Sale Revenue and routed to Company's designated account and the remainder shall be directed to Member's provided account with the third-party payment processors concurrently upon payment from a Dataset License Purchaser. For any other services provided by Company to Member under a separate statement of work shall be paid pursuant to the statement of work or, if the statement of work is silent regarding payment terms, within thirty (30) days after Member's receipt of the applicable invoice for such Services. The foregoing obligations are conditioned on Member: (a) promptly notifying Company in writing of such Member Claim; (b) giving Company sole control of the defense thereof and any related settlement negotiations; and (c) cooperating and, at Company's request and expense, assisting in such defense. In the event that the use of the Services is enjoined or in Company's opinion is likely to be enjoined or the subject of an infringement claim, Company may, at its option and at its own expense either (i) procure for Member the right to continue using the Services, (ii) replace the Software with a non-infringing but functionally equivalent product, (iii) modify the Software so it becomes non-infringing or (iv) terminate this Agreement and refund the amounts Member paid for access to the Services that relate to the period during which Member was not able to use the Services. Notwithstanding the foregoing, Company will have no obligation under this Section 9.1 with respect to any infringement claim based upon: (1) any use of the Services not in accordance with this Agreement or as specified in the Documentation; (2) any use of the Services in combination with products, equipment, software, or data not supplied or approved in writing by Company or if such infringement would have been avoided without the combination with such other products, equipment, software, or data; or (3) any modification of the Services by any person other than Company or its authorized agents or subcontractors. This Section 7.1 states Company's entire liability and Member's sole and exclusive remedy for infringement claims or actions.

The foregoing obligations are conditioned on Company: (a) promptly notifying Member in writing of such Company Claim; (b) giving Member sole control of the defense thereof and any related settlement negotiations; and (c) cooperating and, at Member's request and expense, assisting in such defense.

9. LIMITATIONS OF LIABILITY. IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, EXEMPLARY, SPECIAL, OR INCIDENTAL DAMAGES, OR FOR ANY LOST DATA, LOST PROFITS OR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, ARISING FROM OR RELATING TO THIS AGREEMENT, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY (INCLUDING NEGLIGENCE), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE LIMITATION OF LIABILITIES SET FORTH HEREIN SHALL NOT APPLY TO A PARTY'S INDEMNIFICATION OBLIGATIONS, TO LIABILITY ARISING FROM MEMBER'S BREACH OF THE LICENSE GRANT, OR TO LIABILITY ARISING FROM A PARTY'S WILLFUL MISCONDUCT OR VIOLATION OF LAW.

Confidential Information includes information that is marked or identified as confidential and, if not marked or identified as confidential, information that should reasonably have been understood by Recipient to be proprietary and confidential to Discloser or to a third party, whether or not such information is designated as confidential. Company's Confidential Information includes Software and Documentation. Member's Confidential Information includes Member Data.

10.2 Protection. Recipient shall not use any Confidential Information for any purpose not expressly permitted by this Agreement and shall not disclose Confidential Information to anyone other than Users (with respect to Member) those of its employees and independent contractors who have a need to know such Confidential Information for purposes of this Agreement (with respect to Company) and who are, in each case, under subject to confidentiality obligations no less restrictive than Recipient's obligations under this Section 11. Recipient shall protect Confidential Information from unauthorized use, access, and disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature and with no less than reasonable care. Recipient shall use commercially reasonable data security measures to prevent unauthorized access to Discloser's electronically stored or processed data. At Discloser's request or upon termination or expiration of this Agreement, Recipient will return to Discloser or destroy (or permanently erase in the case of electronic files) all copies of the Confidential Information that Recipient does not have a continuing right to use under this Agreement, and Recipient will, upon request, certify to Discloser its compliance with this sentence. The foregoing will not apply to Member Data, which will be returned or destroyed pursuant to Section 5.4.

10.3 Exceptions. Recipient shall have no confidentiality obligations under Section 10.2 above with respect to any information of Discloser that Recipient can document: (a) was already known to Recipient prior to Discloser's disclosure; (b) is disclosed to Recipient by a third party who had the right to make such disclosure without violating any confidentiality agreement with or other obligation to the party who disclosed the information; or (c) is, or through no fault of Recipient has become, generally available to the public; or (d) is independently developed by Recipient without access to or use of Confidential Information. Recipient may disclose Confidential Information if required to as part of a judicial process, government investigation, legal proceeding, or other similar process, provided that, to the extent permitted by applicable law, Recipient gives prior written notice of such requirement to Discloser. Recipient shall take reasonable efforts to provide this notice in sufficient time to allow Discloser to seek an appropriate confidentiality agreement, protective order, or modification of any disclosure, and Recipient shall reasonably cooperate in such efforts at the expense of Discloser.

11. GENERAL

11.1 Independent Contractor. Company's relationship to Member is that of an independent contractor, and neither Member nor Company is intended to or should be construed to be an agent, partner, joint venture, or employee of the other. Neither party has any authority to bind or otherwise obligate the other party in any manner, and neither party may represent to anyone that it has a right to do so.

11.2 Assignment. Neither party may assign or transfer, by operation of law or otherwise, this Agreement or any of its rights under this Agreement to any third party without the other party's prior written consent, such consent shall not be unreasonably withheld or delayed; except that a party may assign this Agreement without consent from the other party by operation of law or otherwise to any successor to its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise. Any attempted assignment or transfer in violation of the foregoing will be void. The terms of this Agreement will be binding upon the parties and their respective successors and permitted assigns.

11.3 Force Majeure. Except for payment obligations, neither party will be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder as a result of any cause which is beyond the reasonable control of such party, including, but not limited to, acts of God, earthquake, fire, flood, embargo, pandemic, catastrophe, sabotage, utility or transmission failures, governmental prohibitions or regulations, national emergencies, insurrections, riots or war.

11.4 Notices. To be effective, notices, consents, and approvals under this Agreement must be delivered in writing by electronic mail to the other party at the address for each party first set forth on the Order and will be effective upon receipt. Each party may change its email address and/or address for receipt of notice by giving notice of such change to the other party.

11.5 Governing Law. This Agreement will be governed by and interpreted in accordance with the laws of the State of Colorado without reference to its choice of law rules. The United Nations Convention on Contracts for the International Sale of Goods does not apply to this Agreement.

In the event of the commencement of a bankruptcy case or proceeding by or against Company under the United States Bankruptcy Code, as it may be amended or supplemented from time to time (the “Code”), Member will be entitled to retain all of its rights under this Agreement to any “intellectual property” (as defined in 11 U.S.C. § 101(35A)) licensed to it hereunder, if any. Without limiting the foregoing, the licenses and rights to the Software hereunder, if any, are “intellectual property” as defined in 11 U.S.C. § 101(35A) and, if Company files for bankruptcy, or if any action or proceeding under the Code is filed against Company, this Agreement will be governed by, and Member shall be entitled to the rights and protections provided pursuant to, 11 U.S.C. § 365(n), as the same may be amended or supplemented from time to time. Nothing in this provision will be deemed to grant to Member any rights in and to the Software greater than or for a term longer than provided in this Agreement.

11.7 Remedies. Except as otherwise expressly provided in this Agreement, the parties’ rights and remedies under this Agreement are cumulative. Each party acknowledges and agrees that any actual or threatened breach of Sections 4.1 or 11 will constitute immediate, irreparable harm to the non-breaching party for which monetary damages would be an inadequate remedy, that injunctive relief is an appropriate remedy for such breach, and that if granted, the breaching party agrees to waive any bond that would otherwise be required. If any legal action is brought by a party to enforce this Agreement, the prevailing party will be entitled to receive its attorneys’ fees, court costs, and other legal expenses, in addition to any other relief it may receive from the non-prevailing party.

11.8 Compliance with Laws. Each party shall comply with those laws, rules, and regulations in jurisdictions within the United States that are specifically applicable to the applicable party.

11.9 Waivers. To be effective, any waivers must be in writing and signed by the party to be charged. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

11.10 Severability. If any provision of this Agreement is, for any reason, held to be unenforceable, the other provisions of this Agreement will be unimpaired, and the invalid or unenforceable provision will be deemed modified so that it is valid and enforceable to the maximum extent permitted by law (unless such modification is not permitted by law, in which case such provision will be disregarded).

11.11 Counterparts. This Agreement may be executed in counterparts, each of which will be considered an original, but all of which together will constitute the same instrument.

11.12 Entire Agreement. This Agreement, including any Order and any exhibits or attachments thereto, constitute the final and entire agreement between the parties regarding the subject hereof and supersedes all other agreements, whether written or oral, between the parties concerning such subject matter. No terms and conditions proposed by either party shall be binding on the other party unless accepted in writing by both parties, and each party hereby objects to and rejects all terms and conditions not so accepted. To the extent of any conflict between the provisions of this Agreement and the provisions of any Order, the provisions of the Agreement shall govern. No amendment to this Agreement will be effective unless in writing and signed by the party to be charged.

By accessing and using the Transaction Services, you agree to be bound by the terms of the Addendum as of the date you list your Member Dataset for monetization using the Transaction Services.

Company may modify the Addendum at any time by posting updated versions of the Addendum. Modifications become effective immediately upon your first access to or use of the Transaction Services after the “Last Updated” date at the top of the Agreement. Your continued access to or use of the Transaction Services after the modifications have become effective will be deemed your conclusive acceptance of the updated Addendum. If you do not agree with the modifications, you may not access or use the Transaction Services.

1. DEFINITIONS. Capitalized terms will have the meanings provided in the Agreement, or in the Section where they are first used.

2. SERVICES

2.1. Dataset Transaction Services. The Company’s Services provide the technology and processes to allow a Dataset Transaction between a Member and the Dataset License Purchaser for monetary compensation (collectively, the “Transaction Services”). Through the use of the Transaction Services, Member may enter into a Dataset Transaction with one or more Dataset License Purchasers pursuant to a separate agreement between the Member and each Dataset License Purchaser (the “Dataset Transaction Agreement”).

2.2. Dataset Transaction Fees. The pricing and Transaction Services solely relate to the Dataset Transaction and do not include any additional third-party costs or fees related to any electronic transfer of the Member Dataset itself that may be incurred related to the Data Transaction.

3. COMPANY OBLIGATIONS

3.1. Facilitate the transaction. Upon Member and Dataset License Purchaser entering into a Dataset Transaction Agreement, Company may use commercially reasonable efforts to assist the parties related to the access or transfer of the Member Dataset License to the Dataset License Purchaser through the platform or other agreed-to mechanism in accordance with the terms agreed to in the Dataset Transaction Agreement. The parties may engage Company to facilitate the physical transfer of data through providing the proper information upon completion of the Data Transaction, but it is the responsibility of the Member and Dataset License Purchaser to ensure and effectuate the transfer of or access to the Member Dataset upon completion of the Data Transaction.

4. MEMBER’S OBLIGATIONS

4.1. Member’s classification of Member Dataset. Member shall be responsible for designating the specific terms for the Dataset Transaction, including but not limited to:

4.1.1. Exclusive or non-exclusive license.

4.1.1.1. “Exclusive” means that the Member Dataset will only be licensed or sold to one Customer in total or in a designated use or industry and will not be sold to other entities in total or for such particular uses or industries. The exclusivity may be limited to a certain time period, as agreed to by the parties.

4.1.1.2. “Non-exclusive” means that the Member Dataset may be sold to multiple third-parties in total or within certain uses or industries.

4.1.2. One time use of, or a subscription use of the Member Dataset.

4.1.2.1. “One time use” means the current version of the Member Dataset is sold in its complete form with no access to updates.

4.1.2.2. “Subscription use” means the current Member Dataset is sold and updated will be provided based on the defined timeframe interval pursuant to a defined subscription fee as defined in the terms.

4.1.3. Other specific terms customizable through the Services.

4.2. Member Dataset Pricing. Member shall be responsible for setting the Member Dataset pricing for the Dataset Transaction through one of the available options on the Service.

4.2.1. Member may set its own price, where the Member enters a fixed price. If a Dataset License Purchaser desires to pay the fixed price for the Data Transaction, then no further Member approval is required.

4.2.2. Member may engage Company for additional consulting services to estimate a market price and provide related support services for an additional fee. Company may engage third party services, which may be paid an additional fee to estimate a price for the Dataset Transaction. This estimated price for the Dataset Transaction will then be presented to the Member and, if accepted, the Member Dataset will be listed at this price.

4.2.3. Member may list the Member Dataset on an exchange wherein Data License Purchasers may make a bid or propose a price for the Dataset Transaction (where Member may be required to pay an additional fee for offering the Member Dataset on the exchange). Company may use commercially reasonable efforts through partners and marketing contacts to achieve a preferred price for the Dataset Transaction through the Services. The Services may provide Members the opportunity to approve price offers for the Member Dataset.

4.3. **Accuracy of Description of Member Dataset.** Member represents and warrants that Member's provided description of the Member Dataset is materially accurate and complete. Member's breach of this warranty may require Member to refund a Dataset License Purchaser in total (including being responsible for paying Dataset License Purchaser back the Service Fee already paid to Company). Member acknowledges and agrees that Company may use automated methods and processes to access and review the offered Member Dataset to verify the Member Dataset prior to making the Member Dataset available for Dataset Transactions on the platform, including, but not limited to, confirming the Member Dataset is accessible, confirming the file type, format and that the file is complete and consistent with the Member's description, and the presence of malicious content within the Member Dataset.

5. DATASET TRANSACTION FEES

5.1. **Dataset Transaction through the Services.** Each Dataset License Purchaser will pay Member a transaction fee for each Dataset Transaction between the Member and Dataset License Purchaser resulting in Dataset Sale Revenue. All Dataset Sale Revenue payments from Dataset License Purchaser related to a Dataset Transaction will be performed through Company's third-party payment processor associated with the Services. Member acknowledges and agrees that the third-party payment processor will automatically direct the Commission to Company, and the remainder of the Dataset Sale Revenue minus the Commission will be directed to Member's provided account.

5.2. **Support Service Fees.** Member and Company may enter into a separate agreement for Company to provide services to support the Data Transaction. Member shall pay Company any support service fees as mutually agreed to by the parties in a separate writing identifying a scope of support services and the respective service fees (the "Support Service Fee") for Company performing such support services.

6. PAYMENT

6.1. **Company Commission.** Service Fees will automatically be routed directly to Company by the third-party payment processor upon payment by the Dataset License Purchaser in accordance with Section 5.1.

6.2. **Support Service Fees.** Member will pay Company the Support Service Fee(s), as described in a written agreement between the parties. Company will issue an invoice monthly or as otherwise set forth in an Order Form, and Member will pay all undisputed portions of such invoice within thirty (30) days of the Customer's receipt of such invoice.

6.3. **Costs, Expense, and Tax Obligations.** Each party shall be responsible for its own costs, expenses, and taxes with respect to its performance of obligations and transactions under this Agreement. Company will provide Member with applicable tax ID, tax or other forms, documents, or certifications as may be required by applicable law for Member to satisfy any tax information reporting and/or withholding tax obligations with respect to any payments hereunder.

6.4. **Payments Final.** Member will not be entitled to any refunds or reimbursement of any Dataset Transaction Fees or any Support Service Fees paid to Company.

7. TERM AND TERMINATION

7.1. **Term.** The initial term of this Addendum will commence on the date that Member lists one or more Member Dataset(s) for monetization through the Transaction Services and will continue for as long as the Agreement is in place, or this Addendum is terminated in accordance with its terms.

7.2. **Termination for Convenience.** Either party may terminate this Addendum in whole or in part at any time for any reason on fifteen (15) days written notice to the other party.

7.3. **Termination for Cause.** Either party may terminate this Addendum at any time, by giving written notice to the other party, upon the occurrence of any of the following events:

- (a) a party breaches any material term or condition of this Agreement and fails to cure such breach within thirty (30) days after receiving written notice from the other party with respect to such breach; or

- (b) any act, determination, filing, judgment, declaration, notice, appointment of receiver, liquidator, examiner or trustee, failure to pay debts, or other events under any law applicable to a party indicating the insolvency or bankruptcy of such party.

7.4. Rights and Duties on Termination. Upon termination of this Addendum, Member shall cease using the Transaction Services and shall pay Company any outstanding Fees for any completed or pending Dataset Transactions.

7.5. Survival. The rights and obligations of the parties contained in Sections 4.3. and 7.4 will survive the termination or expiration of this Agreement.
